As Table 1 below suggests, although there are some earlier examples of qualitative research on leadership, it is not until the late 1980s that the approach began to gain a foothold. In this regard, leadership research was probably somewhat behind other social scientific fields, an issue that will receive further attention below.

Qualitative research on leadership: A critical but appreciative review - ScienceDirect - ScienceDirect.com | Science, health and medical journals, full text articles and books.

Becky Fiedler and I are designing the next generation of BBST. We'll soon start the implementation of BBST-Foundations 4.0. This post is the first of a series soliciting design advice for BBST.

Cem Kaner, J.D., Ph.D.

A social enterprise is an organization that applies commercial strategies to maximize improvements in financial, social and environmental well-being—this may include maximizing social impact alongside profits for external shareholders. As a consumer, buying for a social enterprise is one of the most impactful methods of supporting positive social change and your community.

Social enterprise - Wikipedia

Reality television is a genre of television programming that documents purportedly unscripted real-life situations, often starring unknown individuals rather than professional actors. Reality television came to prominence in the late 1990s and early 2000s with the global successes of the series Survivor, Idols, and Big Brother, all of which became global franchises.
