How to Analyze Handwriting (Graphology). A person's handwriting is as unique as their personality, which makes it tempting to connect the two. Graphology is a fun exercise, especially if you're testing someone you know, but it has very...

2 Clear and Easy Ways to Analyze Handwriting (Graphology)

Historical Analysis. Iconographic analysis is used to establish the meaning of a particular work at a particular time. To identify the subject of an altarpiece as a Madonna and Child, however, explains nothing about the use of the altarpiece, how it fit into the surrounding culture, its economic import, or what it may reveal about social and political issues of the period.

Othello is unique among Shakespeare's great tragedies. Unlike Hamlet, King Lear, and Macbeth, which are set against a backdrop of affairs of state and which reverberate with suggestions of universal human concerns, Othello is set in a private world and focuses on the passions and personal lives of its major figures. Indeed, it has often been described as a "tragedy of character"; Othello's swift ...

1. Introduction. The field of 'Nutritional Psychiatry' is relatively new. While there had been a focus on the possible utility of omega-3 fatty acid and folate supplementation in mood disorders during previous decades (e.g. Su et al., 2003, Stoll et al., 1999, Taylor et al., 2004), as well as a number of observational studies focusing on the intake of single nutrients or foods (e.g. Morris ...

Importance Several studies now provide evidence of ketamine hydrochloride's ability to produce rapid and robust antidepressant effects in patients with mood and anxiety disorders that were previously resistant to treatment. Despite the relatively small sample sizes, lack of longer-term data on efficacy, and limited data on safety provided by these studies, they have led to increased use of ...
