### **Selfish Reasons To Have More**

"Selfish Reasons to Have Children" more or less makes the following argument: (1) Modern day parents make parenting costlier than it has to be (in terms of time, energy, money, and worry). (2) They don't need to do this because, as the research shows, the way you parent doesn't really influence the way your kids turn out as adults.

Create more awesome people. Even if the world ignores libertarians forever, it's still great for more libertarians to exist, build our counter-culture, and enjoy life. 3. Increase the frequency of libertarian genes – and the long-run prospects for liberty. Genes have a strong effect on political views. So assuming libertarians are right about policy, increasing the frequency of libertarian genes is good for the world.

### **Excerpt: Selfish Reasons to Have More Kids - Marketplace**

(Basic Books, 2011) Bryan Caplan tells us in his new book, *Selfish Reasons to Have More Kids*, that parents today are overinvesting in each child they have, and consequently deciding to have fewer children. He argues that twin and adoption studies show nature is far more important than nurture, and the “tiger mom” approach to parenting has very...

### **Selfish Reasons to Have More Kids that Probably Don't ...**

But once you are 60, you are more likely to prefer ten sons and daughters to keep you company and keep the grandkids coming. A perfectly selfish and perfectly foresighted economic agent would strike a balance between these two states. For example, he might have four kids total – two too many at 30, six too few at 60.
