A little fuel for you but the scene where Deku comes to class after healing from the Quirk test? You can tell that's Mina's way of trying to get Deku's attention but since Mina has always been pretty and approachable she isn't used to getting a guy's attention, so she's just adorably waving around complimenting him in hopes of starting a conversation with her new crush.

TED Talk Subtitles and Transcript: For decades, researcher Mina Bissell pursued a revolutionary idea -- that a cancer cell doesn't automatically become a tumor, but rather, depends on surrounding cells (its microenvironment) for cues on how to develop. She shares the two key experiments that proved the prevailing wisdom about cancer growth was wrong.

If a man breaks up with you for any reason or in any manner, you should completely cut him off. End of story. There is no excuse or situation in which it would be acceptable or smart to do otherwise, any more than there are situations in which it would be best to continue to twist and bend your own arm after it's been fractured - in the hope that it might not actually be broken, or might ...

### **The Rules Revisited: Cut Him Off**

The relationship is not always romantic or sexual. Sometimes, the girl is a Morality Pet who hangs out with the guy to show he isn't a brute, or it could just be a platonic friendship. They could even be relatives. In an action series, the guy may look big enough to break his girl like a toothpick, but she's likely to be just as deadly as her man.. The inversion of this, which is not as common ...
