At this point, I wasn't sure whether my choice to stay here with the strange, funny little jester was the greatest one after all. When he wasn't jumping around like a madman, he was getting in my face, way too excited and asking me questions- only of half of which were anything comprehensible. But at the same time, I had ended up taking a liking to the jester, finding his strange way of sp...

Unsure what to do with the newest puzzle before me, I stared down at it, kind of impressed that Rouxls managed to make a decent looking puzzle, although I'd probably never speak those words aloud. Speaking of Rouxls, he was seemingly patiently awaiting me to figure out his latest puzzle, proud look etched onto his features. Finally noticing something, I walked over and pressed a button.

There is some evidence that, in addition to being a writing system, runes historically served purposes of magic. This is the case from earliest epigraphic evidence of the Roman to Germanic Iron Age, with non-linguistic inscriptions and the alu word. An erilaz appears to have been a person versed in runes, including their magic applications.. In medieval sources, notably the Poetic Edda, the ...

SUCCESSORS OF ROME: GERMANIA, 395-774. At first I wanted to erase the Roman name and convert all Roman territory into a Gothic Empire: I longed for Romania to become Gothia, and Athaulf to be what Caesar Augustus had been. But long experience has taught me that the ungoverned wildness of the Goths will never submit to laws, and that without law, a state is not a state.
