The worst part about owning a dog is having to say goodbye, and that goodbye often feels far too soon. Studies have shown that the loss of a beloved pet can cause severe psychological distress, and for many of us that grief can be overwhelming.. Grief has a way of making us feel alone, and it's not the easiest of topics to talk about. In those dark times I've often found comfort in the ...

Zersetzung (German for "decomposition") is a psychological warfare technique used by the Ministry for State Security (Stasi) to repress political opponents in East Germany during the 1970s and 1980s. Zersetzung served to combat alleged and actual dissidents through covert means, using secret methods of abusive control and psychological manipulation to prevent anti-government activities.

I did move for love, but there was a big difference between my scenario and yours: I liked the city I moved to, and I did not have to compromise career goals, passions, dreams, or too much general happiness. Other than saying good-bye to my friends and the beach, which was a ten-minute walk from my place, moving from Chicago to New York City was a move up for me.
