Separate Beds Elizabeth Buchan

Tom and Annie's children have grown up, the mortgage is do-able and they're about to get kitchen make-over. Life is good-or so it seems. Beneath the veneer of professional success and domestic security, their marriage is crumbling, eaten away by years of resentment, loneliness, and misunderstandings, and they've settled into simply being two strangers living under the same roof.

Elizabeth Buchan | Separate Beds

In the novel *Separate Beds* by Elizabeth Buchan, the author writes about the changes in the relationships within a family, some that occur gradually and others which happen quickly after one daughter leaves the house.

Separate Beds by Elizabeth Buchan | NOOK Book (eBook ...

review 1: Excellent book on the current state of the economy and one family determined to survive the practicalities we are all having to face these days. It was a delight to read. It also taught me about leaving food and sale items if I can afford full price items for the less fortunate who can not pay for my ilk of economy.
