### **Taming Fire Dragonprince Trilogy 1**

'Taming Fire' was a disappointing read with all the sophistication of a cup of ramen noodles. Pogue's first person perspective is better suited to the prose of an eighth-grader, and the repetitive use of certain words and phrases (i.e. the gross abuse of the word growl - "I growled/he growled/I held back a growl/my voice came out a growl..." - are your characters cave men or do they just have ...

What made the experience of listening to Taming Fire the most enjoyable? The Reader was most unexpected. He took his time to give the words more mass and shape when he paused on certain words. He also made the story real to the imagination. When your involved in a book, you have to be able to match certain aspects with the rhythm of the story.
