5. Know (1) the appropriate seat for your children's current height and weight, and (2) when to transition them to the next stage seat. > Infants and toddlers should ride in rear-facing seats as long as possible, until they reach the highest weight or height allowed. These limits appear in the instruction manual and are inscribed on the seat.

It seems to me that too many parents are stressing about what their children should select as a college major. I'm of the opinion that what's important is getting a degree. I believe it's less relevant what that degree is. Students are more likely to be successful if they choose a discipline ...

Getting Real About Majoring in Engineering

To search for a resource listing in a different state, return to the state pages. Search Tip: So you don't have to scroll through pages of addresses on your state page, do this: With Windows, press Control, letter F, with Mac press Command, letter F, then type in your city, zip code, or other search criteria, such as esq. for an attorney. Try zip codes for other nearby towns.
