Tiffany Aleman blows it away with Smoldering, for a debut novel it is one hell of a five star read. All Kelsey wants is to make her own choices in life, a life of privilege doesn't mean a life of happiness.

### **Tiffany Aleman (Author of Smoldering) - Goodreads**

Smoldering is Tiffany Aleman's debut solo novel and she nailed it. I thought it was a little comical that she was nervous to see what my thoughts were on this novel. I have to say, Tiffany, you did an AMAZING job. I was taken on a journey with Kelsey and I got to see her transform into the woman that she wanted to be.
