Self-help or self-improvement is a self-guided improvement —economically, intellectually, or emotionally—often with a substantial psychological basis. Many different self-help group programs exist, each with its own focus, techniques, associated beliefs, proponents and in some cases, leaders. Concepts and terms originating in self-help culture and Twelve-Step culture, such as recovery ...

A self-help book is one that is written with the intention to instruct its readers on solving personal problems. The books take their name from Self-Help, an 1859 best-seller by Samuel Smiles, but are also known and classified under "self-improvement", a term that is a modernized version of self-help. Self-help books moved from a niche position to being a postmodern cultural phenomenon in the ...
