A metal matrix composite (MMC) is composite material with at least two constituent parts, one being a metal necessarily, the other material may be a different metal or another material, such as a ceramic or organic compound. When at least three materials are present, it is called a hybrid composite. An MMC is complementary to a cermet

Metal matrix composite - Wikipedia

The alkali metals are a group (column) in the periodic table consisting of the chemical elements lithium (Li), sodium (Na), potassium (K), rubidium (Rb), caesium (Cs), and francium (Fr). This group lies in the s-block of the periodic table of elements as all alkali metals have their outermost electron in an s-orbital: this shared electron configuration results in their having very similar ...

On the road of searching for energy storage systems with higher energy density, metal-air batteries have received great interest. According to the available research, several metal-air batteries have been proposed and studied, such as lithium-air, sodium-air, zinc-air, magnesium-air, aluminum-air, and potassium-air batteries.

Recent progress in rechargeable alkali metal-air batteries ...

First used in the mid-nineteenth century, the term "silverware," referring to Sterling silver or silverplated tableware, has become synonymous with cutlery. Still, cutlery has been made of iron for centuries. In Great Britain, the area of Sheffield has been widely known for producing high-

quality cutlery since the thirteenth century.

How cutlery is made - material, production process ...

Not many strategic metals have more than four industry associations devoted to them. But titanium does: But perhaps this isn't too surprising for the fourth-most abundant metallic element and ...

1/14/11: See update at bottom of post. As I mentioned here, I took an unexpected opportunity and bought a .45acp revolver. Smith & Wesson Performance Center guns have a bit of a legendary reputation after all. As detailed in the title above, the precise model and serial number are: 625-10, s/n SCC0487.

Where there's a William ...: Range Report - S&W 625-10, s ...

There is an abundance of literature on the subject of autoerotic fatalities. Unfortunately, the largest portion of the early literature, circa. 1970, is terribly subjective and interpretive of morality (note: much of the early literature is still footnoted and built upon). However, some excellent work on the subject has been done since then.
