Proverbs are popularly defined as "short expressions of popular wisdom". Efforts to improve on the popular definition have not led to a more precise definition. The wisdom is in the form of a general observation about the world or a bit of advice, sometimes more nearly an attitude toward a situation.

By Barbara H. Peterson. Farm Wars. Yes, it's true. There are most likely GMOs in our organic foods. Not because they are "allowed," because they aren't, but because contamination is widespread throughout the agricultural industry, and the USDA's National Organics Program (NOP) is designed so that GMOs can enter USDA Certified Organics through "accidental contamination."
