The Absolutist by John Boyne - review. The speaker, bear in mind, is a private, the son of a butcher. (Being a butcher, his father is naturally a very coarse and violent man.) Tristan's circumlocutions are sometimes so arch that I was reminded of the military reminiscences of Kenneth Williams.

### **The Absolutist by John Boyne - review | Books | The Guardian**

His latest, The Absolutist, is a novel of immeasurable sadness, in a league with Graham Greene's The End of the Affair and a no less masterful handling of the first-person narrative voice than Michael Ondaatje's The Cat's Table. Boyne is very, very good at portraying the destructive power of a painfully kept secret — not to mention the damage done by the self-recriminations (and other condemnations) that are released when that secret is revealed.
