Here's Why You Should Stop Acting Like One ... Stop Thinking and Acting like a Freelancer. Some of the most common reasons for burnout among freelancers are the following: Chasing after clients. If you're doing this, you're not into a freelancing business. You are struggling — struggling to be financially healthy and stable.

Are You a Freelancer? Here's Why You Should Stop Acting ...

It was very well written from start to finish. I got the impression that the author was a real down to earth person in the way he wrote, and that he started out like every other freelancer in the business, not having a clue how to build a good client base, and not thinking of oneself as a business.
