In The Apocalypse, the great majority of the men and women who fought with honor - with a sense of duty and loyalty - gave their lives for others, leaving those without honor to flourish and rule. Their rule is not marked by decency or civility, but by wicked brutality. Yet, in some very rare cases, the kind and the noble survived. These hardened survivors learned to live among the undead, but ...

The Apocalypse--The Undead World: Novel 1 Greed, terrorism, and simple bad luck conspire to bring mankind to its knees as a viral infection spreads out of control, reducing those infected to undead horrors that feed upon the rest. It's a time of misery and death for most, however there are some who are lucky, some who are ruthless, and some who are just too damned tough to go down without a fight.
