Sheena's Place

Choice involves decision making. It can include judging the merits of multiple options and selecting one or more of them. One can make a choice between imagined options or between real options followed by the corresponding action. For example, a traveler might choose a route for a journey based on the preference of arriving at a given destination as soon as possible.

The Evolution of Fantasy and Fantasy Art. Even though Fantastic images of gods and monsters have been with us for at least 25,000 years, when an unknown artist picked up a charred stick from the fire and scratched out a creature on the wall of his cave, the term "Fantasy Art" is relatively new. The Fantasy genre as we know it today is actually a direct result of the influence of science and ...
