### **The Age Of Ice Jm**

The Age of Ice lies somewhere to the north of epic fantasy and south of literary memoir, west of War and Peace and east of the Superman. It will appease a reader who likes history, or discovery, or loves a love story, or simply likes to curl up with a book, and read and read, losing track of time, and then realize — oh my, it has been two ...

The Age of Ice is a book in its own genre which took me completely by surprise. I love reading Russian authors in English language because if the book is good I can recommend it to you, guys, and you might pick it up one day and learn something about the culture and rich history I grew up with. The Age of Ice is one of those books.
