Supernanny's method was to allot one minute for each year of age of the child. You can use an oven clock, a microwave clock, a hand-held timer, or your cellphone timer. Make sure that the child sits on this spot. If they get off this spot, return the child to the naughty area without talking to them.

Supernanny, get with it, Breastfeeding is good for babies, work it into your otherwise very good program. Guest: More than 1 year ago: This is a great book with lots of good, easy-to-follow and practical advice. I really found it helpful as a no-guilt method to understanding what you're doing right as a parent and what you need improvement on.
