The Arcanum by Thomas Wheeler - Goodreads

Historical novels tend a bit to do that and Thomas Wheeler is no exception. He tried to cram nearly everyone who has a name in 1920s occult society into his novel, with mixed results. Where Wheeler on the other hand excels are the descriptions of chases which are nearly cinematographic. No wonder, since Thomas Wheeler is an accomplished ...

The Arcanum: The Hidden History by Thomas Wheeler I fell in love with the idea of a story set in the early twentieth century during the peak of the Spiritualist Movement. Other projects had led me to research this era and I couldn't stop. Everything drew me in: The music, the customs, the politics, the scandals, and the people, of course.
