Story And Discourse Narrative Structure

Plot refers to the sequence of events inside a story which affect other events through the principle of cause and effect. The causal events of a plot can be thought of as a series of sentences linked by the connector "and so". Plots can vary from simple structures—such as in a traditional ballad—to complex interwoven structures sometimes referred to by the term imbroglia.

What exactly does discourse "construct"? Discourse theorists disagree on which parts of our world are real. In other words, they take different ontological stances. Extreme constructivists argue that all human knowledge and experience is socially constructed, and that there is no reality beyond discourse (Potter 1997). Critical realists, on the other hand, argue that there is a physical ...

PICTURE BOOKS: Who Are They For? One of the questions I am most frequently asked as a maker of picture books is this: 'Who do you write and illustrate for?'

PICTURE BOOKS: Who Are They For? - Shaun Tan

Trajan was most conspicuous for his justice, for his bravery, and for the simplicity of his habits. He was strong in body, being in his forty-second year when he began to rule, so that in every enterprise he toiled almost as much as the others; and his mental powers were at their highest, so that he had neither the recklessness of youth nor the sluggishness of old age.
