Seer of Sevenwaters by Juliet Marillier. Seer of Sevenwaters is told from two points of view, Sibeal's and Felix's. Felix is one of the survivors of the shipwreck and the book follows his recovery at the hands of Sibeal, and the amazing trio of healers: Muirrin, Evan and Gull. This was one of the things I loved the most about Seer of Sevenwaters.

What could have made this a 4 or 5-star listening experience for you? Could have been a well written story? Not a constant litany of moaning, whining, pathetic repetitive comments. A journey with no seeming destination. Has Seer of Sevenwaters turned you off from other books in this genre? no.

I've loved Juliet Marillier's Sevenwaters books since *Daughter of the Forest*. I was a little disappointed in how much more romantic (as in romance novels) they've become over the last few books--the adventure seems to be taking second place to matchmaking--but *Seer of Sevenwaters* is still an enjoyable, immersive book.
