The old adage that “things aren’t always what they seem,” certainly proved true in the case of this reserved janitor who worked at an American Air Force Academy. While many people possess secrets from their past, not everyone is readily enthusiastic to share the details of their personal histories. So was the case with this custodial worker, until someone uncovered the unexpected reality ...

The nature of the war is such that its end is usually celebrated in multiple countries as Armistice Day, or ceasefire, rather than victory. Most were grateful the war finally ended and that the ones who survived could go home, with the really lucky ones going back uninjured. The war is considered to be the true beginning of The 20th Century, severing continuity with the conformity, stability ...

Of those American vessels near the Argonne when first contact was made with the enemy, only the Washington was sufficiently massive to go out in a blast of yonder size and shape. If that was the case Captain Martin Diaz of the United States Astromilitary Corps was a dead man. The other ships of the line were too distant, traveling on vectors too unlike his own, for their scout boats to come ...
