### **Soul Identity (Soul Identity, #1) by Dennis Batchelder**

After reading soul identity, I had to read soul intent and it was better than the first book. I really enjoyed the story and the characters involved which developed further from the first book. I felt

that this second book was much more 'punchy' than the first and kept me reading through chapter after chapter.

Read Soul Identity FIRST. Both are good reads - hard to put down. At \$0.99 it is a steal. At \$0.99 total for BOTH - just do it. Soul Identity, the first of the series, had scenes that would have extra appeal to software and IT types. In Soul Intent, the characters carry forward intact, but those computer scenes do not.
