### **Friendly Chemistry Homeschool Science Course ...**

One of my close friends took a nap and me and my other friend doodled wieners on her, immature I know. So she gave me a 0 out of 10 possible marks. I still don't think I deserve this as I am at 98 percent in the course and shouldnt have to affect my academic mark. What can I do to show her that she should give me another chance. I have already apologized.
