This is one of those scenes that I seriously doubted I could ever make happen! When Stephon first traveled here over six months ago, he didn't even want us LOOKING at his muscular ass during his solo audition, and he had to watch straight porn on his phone just to get through his first attempt at fucking a guy. It took even MORE cash and convincing before he'd agree to let me touch his naked ...

What about the others who have successfully completed the rehabs they have started through this program? I think it's more than 100. So, if we use your logic at looking at how A&E subjects have performed after rehab to judge it's efficacy, then rehab is indeed successful since the success rate of those on this show is somewhere around 90 percent judging by the numbers I've seen.

It's not clear when kratom use began, but the practice is thought to be ancient. [1] [2] In its native growing regions, leaves from the plant may be used to numb aches and pains, soothe fevers, treat diarrhea, manage diabetes, and alleviate addiction. They have also been applied as poultices to wounds or spread across the abdomen to drive out worms.
