Something Happened Joseph Heller

What Happened: A Look at Joseph Heller's Forgotten Novel. Something Happened doesn't do that. When What Actually Happens happens, it's a tiny aside occurring five pages from the end, a diamond of action buried in a 600-page landfill of petty obsession, office politics, and petulant, reminiscent navel-gazing.

Yossarian Lives. By having Slocum sell out 100 per cent, Heller was faithful right to the end to the main idea of Something Happened, and thanks to this the book is finally more coherent and even more of a simple piece than Catch-22 was. It is a novel fashioned in cold blood—a cold stone of a book, braver than most, braver than Catch-22,...
