Hello Ytop! My name is Nick and I am a medical student. Your dad has a point in limiting screen time to 30 minutes per day. The screens on your devices emit blue light which when allowed into the eyes for an extended amount of time, can actually inhibit your pineal gland from producing serotonin.

## **How much screen time is OK for my kid(s)?**

It is easy, in the onrush of life, to become a reactor – to respond to everything that comes up, the moment it comes up, and give it your undivided attention until the next thing comes up. This is, of course, a recipe for madness. The feeling of loss of control over what you do and when is enough to drive you over

Sophie, a professional woman in her mid-30s and a member of my weekly mindfulness meditation class, repeatedly feels taken advantage of. After listening to her describe a painful episode in which a friend had acted inappropriately during a visit, I told her, "You need to work on improving your emotional boundaries."

### **Setting Personal Boundaries | Dharma Wisdom**

Setting boundaries is an important part of establishing one's identity, as well as being crucial for one's mental health and well-being. There are different types of boundaries, from physical boundaries to emotional boundaries, and there are also different levels of boundaries, from loose to rigid, with healthy boundaries falling somewhere in between.

Agenda-setting theory describes the "ability (of the news media) to influence the importance placed on the topics of the public agenda". With agenda setting being a social science theory, it also attempts to make predictions. That is, if a news item is covered frequently and prominently, the audience will regard the issue as more important.

### **Agenda-setting theory - Wikipedia**

A toddler acting out is not shameful, nor is it behavior that needs punishing. It's a cry for attention, a shout-out for sleep, or a call to action for firmer, more consistent limits. It is the push-pull of our toddler testing his burgeoning independence. He has the overwhelming impulse to step out of bounds, while ... Continued
