Gameplay. Fate/stay night 's gameplay requires little interaction from the player as most of the game's duration is spent on reading the text that appears, representing either dialogue between the characters or the inner thoughts of the protagonist. Often, players will come to a "decision point" where they are given the chance to choose from options displayed on the screen, typically two to ...

I agree having Draal won over by that speech doesn't make sense, although I can see Claire levying those insults at him regardless. Frankly, I think it makes the most sense, considering Draal's character at that point in the narrative, to go for the canon-compliant situation of the Trollhunter earning his respect by defeating him in single combat, followed by her sparring his life because ...
