Stealing Coal Cyborg Seduction Audiobook

review 1: Just like with Dohner's other series (New Species) I am definitely obsessed and feel compelled to read each book in this series until I'm done. I just love the evolving story line and each of the characters pull at my heart strings in one way or another. Coal was definitely the saddest of them all, how he was so abused and tried to move past that to be happy.

Stealing Coal is Book #5 of the Cyborg Seduction series. I started reading this series after reading the Zorn Warriors series and while waiting for her next New Species book to be released. I highly recommend reading this series in order. Each book revolves around a specific character but it ties the next characters book to it.
