Social And Cultural Anthropology A

Social anthropology is the dominant constituent of anthropology throughout the United Kingdom and Commonwealth and much of Europe (France in particular), where it is distinguished from cultural anthropology. In the United States, social anthropology is commonly subsumed within cultural anthropology (or under the relatively new designation of sociocultural anthropology).

Social anthropology - Wikipedia

Cultural anthropology is a branch of anthropology focused on the study of cultural variation among humans. It is in contrast to social anthropology, which perceives cultural variation as a subset of the anthropological constant.. Cultural anthropology has a rich methodology, including participant observation (often called fieldwork because it requires the anthropologist spending an extended ...

Cultural anthropology - Wikipedia

The Department of Cultural and Social Studies houses the disciplines of sociology and anthropology as well as the independent interdisciplinary programs of Social Work, Health Administration and Policy, and Justice and Peace Studies.
