I liked how this bundle started in the 1800's and then moved on several generations later. It was interesting to see how the three of them came together and navigated their relationships together and how their family's accepted them as a thresome. Whew this one is as hot as the Texas heat! I must ...

Coming off her previous menage story Texas Tangle, Ms. Braemel is revisiting the family in this historical prequel set in the 1880's where homosexual couplings resulted in death. For Jackson Kellar and Nate Campbell all they want to do is live their life in peace sharing farm work and their bed without fear from their neighbors.

Texas Tangle was an enjoyable erotic story and I could have happily carried on reading more about these characters. It has left me wanting to try more menage stories and I will definitely be checking out more of Leah Braemel's work in the future. I'd recommend this story to any erotic romance fans.
