Whatever Hippocrates meant when he said "art is long, life is short," we usually take the saying to illustrate one indisputable medical truth and one more philosophical: everyone dies, but art lives for hundreds, thousands, of years—and may in some sense be a kind of immortality for the artist. This was probably what Salvador Dalí meant when he said, "Si muero, no muero por todo ...

A thunderbolt or lightning bolt is a symbolic representation of lightning when accompanied by a loud thunderclap. In Indo-European mythology, the thunderbolt was identified with the 'Sky Father'; this association is also found in later Hellenic representations of Zeus and Vedic descriptions of the vajra wielded by the god Indra. It may have been a symbol of cosmic order, as expressed in the ...

Zora Neale Hurston's short but dazzling career took her from poverty in rural Florida to the life of the literary elite in New York City and back again. She grew up in Eatonville, Florida, the first officially incorporated all-black township in the United States, and a town much like the one in which "Spunk" takes place. She was born on January 7, in a year that has never been verified ...
