An angel of mercy or angel of death is a rare type of criminal offender (often a type of serial killer) who is usually employed as a caregiver and intentionally harms or kills people under their care. The angel of mercy is often in a position of power and may decide the victim would be better off if they no longer suffered from whatever severe illness is plaguing them.

Chapter 1. She was different from others in the sense that how could a high school student handle and see dead bodies as bravely as Cameryn. So she was called as The Angel Of Death because of her keen interest in this field. She was working part time in a hotel called The Grand as a server and when her boss came to know about her strange interest in...

Chapter 1 | gurleen

Alane Ferguson's Forensic Mystery Series is labeled as a young adult series mainly because the female heroine and her friends are 17 years old. It has been 36 years since I have been 17 years old, so I am not going to review the series through a young adult's eyes but through the eyes of a more cynical and pessimistic view of a 53 year old.

Alane Ferguson's Forensic Mystery Series - A-Thrill-A-Week

Over the years, dozens of angels of death have been caught, but only after large numbers of patients have been murdered. Given the nature of the crime, and the limited role forensic science plays in these cases, it is reasonable to assume that these angel of death convictions represent the mere tip of a rather large homicidal iceberg.
