What others are saying I found this pin very interesting because it shows various Celtic symbols and what the symbols mean. Throughout history, every culture has had their own distinguished signs and symbols that they used to represent things.

Signs And Symbols : Their Design And Meaning | patterns ...

It's an excellent introduction to the origin and construction of signs and symbols-- but (as they admit) it is really only an introduction. It doesn't go into great detail with any of the symbols presented, and it doesn't point out that the same symbol can have multiple (and completely opposite) meanings in different cultures/ time periods.

Signs and Symbols: Their Design and Meaning - Goodreads

Adrian Frutiger's type design career extended well into the era of desktop publishing, PostScript fonts and the Internet age. In 1989, Frutiger published the English translation of Signs and Symbols: Their Design and Meaning a theoretical and retrospective study of the two-dimensional expression of graphic drawing with typography among its most advanced forms.
