I was staying at my sister's house a few years ago, and took a half of a stale sub sandwich out of the fridge. The bread was too hard for me to feel like eating it, so I opened up the French doors by the kitchen and tossed it, underhand, as far out into the yard as it would go.

The over-the-top gentle and careful approach with girls, in turn, makes you appear extremely boring and ultra-beta, especially to the girls who have personality and a sense of humor. They want to spend time with a guy who has a backbone, can be both funny and stimulating, and can dish out dark humor and sarcasm.
