1. Why do you want to work in this industry? Bad answer: "I love to shop. Even as a kid, I spent hours flipping through catalogs." Don't just say you like it. Anyone can do that. Focus instead on your history with that particular industry, and if you can, tell a success story. Good answer: "I've always loved shopping, but my interest in retail marketing really started when I worked at ...

Study skills, academic skill, or study strategies are approaches applied to learning. They are generally critical to success in school, considered essential for acquiring good grades, and useful for learning throughout one's life. Study skills are an array of skills which tackle the process of organizing and taking in new information, retaining information, or dealing with assessments.
