Steel Design / Edition 6 by William T. Segui ...

About This Product. Introduce the fundamentals of structural steel design with Segui's market-leading STEEL DESIGN, 6th Edition. Rather than focus on the integrated design of buildings, STEEL DESIGN takes a unique approach by emphasizing the design of members and their connections.

Steel Design, 6th Edition - Cengage

STEEL DESIGN covers the fundamentals of structural steel design with an emphasis on the design of members and their connections, rather than the integrated design of buildings. The book is designed so that instructors can easily teach LRFD, ASD, or both, time-permitting. The application of fundamental principles is encouraged for design procedures as well as for practical design, but a ...
