A discussion of Allan Schore's video lecture on the neuro-psychology of attachment, and how failures of attunement between mother and child permanently alter the development of the infant's brain.

Attachment Theory and the Origins of Shame

Narcissism is the pursuit of gratification from vanity or egotistic admiration of one's idealised self image and attributes. The term originated from Greek mythology, where the young Narcissus fell in love with his own image reflected in a pool of water. Narcissism is a concept in psychoanalytic theory, which was popularly introduced in Sigmund Freud's essay On Narcissism (1914).

Hello there! For the past few days, I've been exhausting myself and challenging my embarrassingly limited, nearly nonexistent skills in HTML by going back and forth between my Tumblr book review blog and my book review blog in Wordpress. For days, I tried really, really hard to maintain both pages.
