Hearts In Motion is the ninth studio album by Australian soft rock band Air Supply released in 1986. The album was a serious step down in the band's popularity. While their previous self-titled album had charted gold, Hearts In Motion did not attain any certification, peaking at #84 on the US charts. The album didn't possess any successful singles, except for the minor hit "Lonely Is the Night ...

The octopus is a soft-bodied, eight-limbed mollusc of the order Octopoda. Around 300 species are recognised, and the order is grouped within the class Cephalopoda with squids, cuttlefish, and nautiloids. Like other cephalopods, the octopus is bilaterally symmetric with two eyes and a beak, with its mouth at the center point of the eight limbs (traditionally called "arms", also mistakenly called ...

"What is more delightful than this voice of the Lord calling to us? See how the Lord in his love shows us the way of life. Clothed then with faith and the performance of good works, let us set out on this way, with the Gospel for our guide, that we may deserve to see him who has called us to his kingdom (1 Thess. 2:12)."

The meme content itself is usually something of minor everyday consequence: jokes about dad, urban legends, TV shows (including shows like Arthur, which has generated its own genre of memes) and movie references, human and animal oddities. In rare cases, memes can be profound art and music curiosities, and even philosophical ideas.
