Stealing Kathryn is the 2nd book in the Gatherers series and is very much a Beauty and the Beast-type story. The main focus is on the development of Adrian and Kathryn's relationship rather than any type of conflict with outside forces. I would highly suggest reading Hunting Julian first because there is very little world development in this book.

Stealing Kathryn was my introduction book to Jacquelyn Frank. The whole idea of the "gatherers" is completely new. This book takes male dominance in the right direction.
