They both teach each other things, how to love, how to trust and how to give themselves to another person completely. This book was so beautifully written, the different quotes in it were lovely and it really showed how two people can be perfect for each other and how a friendship can grow into something so much more.

What makes Croyd such a compelling character to me is the virus gave him very unique powers. His initial transformation gave him the body of an adult along with the ability to turn invisible. Unfortunately for Croyd, he would go into a deep coma-like sleep when he becomes too tired and when he wakes up it is in a new body with new powers.
