Etymology. The word tafsīr is derived from the three-letter Arabic verbal root of ت-ف-س F-S-R (fassara, 'interpret'). In its literal meaning, the word refers to interpreting, explaining, expounding, or disclosing. In Islamic contexts, it is defined as understanding and uncovering God's will which has been conveyed by the Qur'anic text, by means of the Arabic language and one's own knowledge.

What exactly is the question we are facing here? How would it be possible to define street art? It could be argued that it is a question for art historians or cultural theorists. However, the first group of thinkers seems to be in need of a temporal distance – there has to be a significant and determined period with an origin, climax and a future perspective in order to define a movement or ...
