"Sign Painters, which has been put together with equal parts affection and skill by directors Faythe Levine and Sam Macon, is fresh and passionate and unexpected." – Mark Feeney, Boston Globe "A cautionary tale about the head-long rush into a technology-driven time and a meditation on what's lost along the way.

Sign Painters: The Movie

The voices of several sign painters are here, speaking lovingly of a craft that is less in general demand these days, but does still have a niche in today's world. One highlight for me was the mini-collection of comic strips by Justin Green, which are featured in Sign of the Times (the magazine of the sign industry).
