I'm interested in this cute girl who appears to be smart and shy. But I really don't know anything about her considering the semester just began a week ago. I also believe she's at least 3 or 4 years younger than me. I'm worried I won't be her type. I have tattoos, piercings, and a particular way I dress. I also look intimidating which won't help me at all.

Can a shy, nice & smart type of girl be attracted to a someone who has tattoos & piercings? | Yahoo Answers

Smart girls want a partner who has a good sense of self. Work on finding out who you are and what you like. Own your qualities and don't be afraid to reveal your interests and true personality. While it's hard to be vulnerable around a girl you like, this authenticity will allow her to see you for who you really are.
