If you are a dedicated reader of Niche Pursuits, you'll know that we talk quite a bit about Spencer's growing Amazon FBA business.. While there are plenty of other FBA sellers doing bigger numbers, I think we can all agree that Spencer's \$60,000+ per month in revenue is nothing to sneeze at. Today, I'm going to take a deep dive into a strategy called "retail arbitrage" - which I consider ...

There are several advantages to surrogate keys. First, they aren't coupled to your business and therefore will be easier to maintain (assuming you pick a good implementation strategy). For example, if the Customer table instead used a surrogate key then the change would have been localized to just the Customer table itself (CustomerNumber in this case would just be a non-key column of the table).

Choosing a Primary Key: Natural or Surrogate?

The United States Air Force Air War College is the senior Air Force professional military school. Annually, we prepare about 250 resident and over 5,000 nonresident senior students from all US military services, federal agencies, and 41 nations to lead in the strategic environment - emphasizing the employment of airpower in joint operations.
