### **The Abduction Mark Gimenez**

The Abduction by Mark Gimenez was an enjoyable book to read. It was very action packed, but I thought it took too long for the action to really take off. There was action in the beginning, which made me hopeful that the whole book would be filled with action, but none more really came until the end.

4.5 Stars is more like it. This book was absolutely smashing. The story had so many angles popping out from everywhere but in the end everything connected so well with each other. The pace and writing used to dangle a little bit in-between but the great plot made up for most of it. I really liked ...
