Summer House With Swimming Pool

A summer house or summerhouse has traditionally referred to a building or shelter used for relaxation in warm weather. This would often take the form of a small, roofed building on the grounds of a larger one, but could also be built in a garden or park, often designed to provide cool shady places of relaxation or retreat from the summer heat.. It can also refer to a second residence, usually ...

The White House has had two different pools since the 1930s. The indoor swimming pool opened on June 2, 1933, after a campaign led by the New York Daily News to raise money for building a pool for President Franklin D. Roosevelt, who suffered from poliomyelitis and often swam at therapy pools at his Hyde Park home in New York or at a rehabilitation center in Warm Springs, Georgia.
