### **The American Way Of Poverty**

The Equality Act recognizes that every American deserves full and equal rights under the law. In advancing explicit protections against sexual orientation and gender identity discrimination, the bill addresses a critical factor that drives LGBTQ+ people into poverty and the criminal legal system. According to a letter signed by People For the American Way and...

Background. The official poverty rate on reservations is 28.4 percent, compared with 12.7 nationally. About 36 percent of families with children are below the poverty line on reservations, compared with 9.2 percent of families nationally. These figures are absolute poverty rates as determined by the US Census. In 2010, the poverty threshold for a family of four with two children was \$22,113.

### **Reservation poverty - Wikipedia**

As kids and teachers head back to school, we wanted to turn away from questions about politics and unions and money and all the regular school stuff people argue about, and turn to something more optimistic — an emerging theory about what to teach kids, from Paul Tough's book How Children Succeed.

### **Back to School - This American Life**

The rate of African American marriage is consistently lower than White Americans, and is declining. These trends are so pervasive that families who are married are considered a minority family structure for blacks. In 1970, 64% of adult African Americans were married.

Chapter 42 How Modern Civilization May Decline Listen to this chapter: OUR CONCLUSIONS about the law of human progress agree completely with our previous conclusions about the laws of political economy. They also show that making land common property — by taxing its value — would give an enormous boost to civilization.
