The complete review's Review: . The first novel by Ake Edwardson to be translated into English, Sun and Shadow introduces English-language readers to detective chief inspector Erik Winter. Unfortunately, it is not the first novel in the series (it appears to be the third), and while, like many detective fictions from a series, it can (or at least is meant to) stand on its own, it relies so ...

Although Sun and Shadow is not Åke Edwardson's first book featuring Erik Winter, the youngest chief inspector of Sweden's police force, it is the first book published in English. Go figure. My criticisms of the book have much to do with the fact that the main character particularly was not fleshed out enough for me to care much about him.
